Publications Available

This Society was formed in 1984 to increase knowledge of the Nundah District, its history and heritage, and to collect and preserve records of that history and heritage. These records include a wide range of photographs, maps and documents pertaining to the area covered by the 1883 Toombul Divisional Board.

The suburbs included in the area are Airport, Albion, Ascot, Banyo, Breakfast Creek, Clayfield, Doomben, Eagle Farm, Eagle Junction, Hamilton, Hendra, Kalinga, Meeandah, Myrtle town, Northgate, Nudgee, Nudgee Beach, Nundah, Pinkenba, Toombul, Virginia, Wavell Heights, Whinstanes, and the former suburbs of Albion Park, Cribb Island, Lower Nudgee and Serpentine.

The resources are extensive and continue to grow due to the generosity of members of the public who donate photographs, documents or maps or allow the Society to copy articles.

All are welcome to access the records. The Archives is available for those researching local history, whether for a school or university assignment or for general interest.

The Society also produces a range of information leaflets designed to promote the history of various sites
